Please Note:

NOT work in the UK

This electric adapter for Europe does NOT work in the UK / Ireland / Scotland / South Africa.

This is TYPE C plug which can work in most of Europe such as Germany, Italy, France, Iceland etc., but except for UK, For UK adapter please choose TYPE G plug adapter.

NOT A Voltage Converter

This adapter doesn't convert voltage. It's compatible for use with dual voltage or worldwide voltage devices with input voltage range from 100-240V. If your device doesn't support the destination country's voltage then you may need to use it with an appropriate size voltage converter. Cell phone chargers such as iPad, iPhone, laptop chargers are dual voltage and are compatible with this adapter.
